Conventions and Reunions

On behalf of the members of the Board of Directors, we welcome you to this convention and reunion at La Durantaye in the county of Bellechasse.

This gathering finally allows us to have the
“Pleasure to meet and talk to each other”

To share together what we have continued to discover through our genealogical research over the past two years. As the saying goes:
“Words fly away, writings remain”.

Speaking of discoveries, it is with enthusiasm that our friend Pierre Bilodeau, a fabulous storyteller, will tell us the story of the local Bilodeaus.

It will also be an opportunity to discover the meticulous work
by **Alice Carrier**, recipient of the
JEAN CLAUDE BILODEAU PRIZE

A conference on the Bilodeau Diaspora in the 18th century and their continuity in the 19th century will be presented to you by the President of the Bellechasse Historical Society, Mr. Pierre Prévost.

The 2022 Congress also gives us the opportunity to express our gratitude to one of our own for his invaluable involvement, contribution and dedication to the development of our Bilodeau Association.

Our annual gatherings allow us to expand our circle of friends, and to discover the daily life of the Bilodeau, in addition to perpetuating the history of the descendants of our valiant ancestors,
Jacques Billaudeau and Genevieve Longchamp

Our turn, let's make today's history and tomorrow's!

Good 2022 Convention!
