Towards the Bilodeau Congres

Finally spring! What a joy to be able to see our loved ones without constraint and indulge in our favorite outdoor activities, now that the beautiful days are back.

On behalf of the members of the Board of Directors, I am pleased to confirm that the next Congress of the Bilodeau Association will be held on Saturday August 13, 2022 at La Durantaye, in the magnificent reception hall of the Multi-functional Center.

Jacques Billaudeau and Geneviève Longchamp on Ile d'Orléans.

The preparation of the program is going well. Many activities will enhance the day: conferences on the life of the people of Bellechasse, talks, genealogy, tributes, etc. There is also the lunch banquet and, at the end of the day, the cocktail and the buffet will be served to you in a musical atmosphere in the company of the pianist Priscille Bilodeau. So many reasons to attend this reunion party!

I thank you for your loyalty by renewing your membership cards and for being part of the big Bilodeau family. Mark your diary for Saturday August 13 for the Bilodeau Congress. Additional information to this effect will be sent to you in the coming weeks.

I invite you to also talk about the Congress to your family members. They are welcome and will have the pleasure of discovering their lineage since the arrival of our courageous ancestors,

Thank you for your loyalty to the Association des Bilodeau and I look forward to the pleasure of meeting you during this pleasant day of reunion.

Gilles Bilodeau, President
Branch II, John to John

Happy Father's Day to all dads and grand-dads !

Fathers Day

Father's Day was celebrated for the first time in France in 1952. As surprising as it may seem, we owe this arrival to a lighter manufacturer. The Flaminaire company, located in Redon, Brittany, is inspired by the American celebration and the windfall generated by the purchases of children and companions. On his posters, we can then read: "Our dads told us, for Father's Day, they all want a Flaminaire".

Sometimes the greatest gift comes simply from words. There are many ways to wish your dad a happy birthday. For children in any case, the poem for dad remains a timeless, which will always please!

attention. Finding a card or finding and decorating an original piece of paper shouldn't be too difficult either, even on Father's Day Sunday. Unsheathing his mobile to send a nice SMS to his dad either. Sending a virtual card remains a simple and quick exercise. Linternaute.com also offers to wish a happy Father's Day with special and often animated cards! Discover our cards and message ideas for Father's Day below.

The date of Father's Day varies from country to country.

Bonne Fête Grand-Père !!

If you have a moderate desire to play Baudelaire, the message remains with your words or the little written

Without forgetting the Gand-Dads
