Conventions and Reunions

The members of the Board of Directors are welcoming you to the congress of The Bilodeau Association in Hotel Énergie (Congress Center) in Shawinigan.

This gathering will allow us to have the

"Pleasure to meet and talk to each other"

to share together what we have continued to discover through our genealogical research during the fast year.

As the saying goes:

"Words fly away, writing remain."

This will also be the time to discover the meticulous work, recipients of the Jean-Claude-Bilodeau Prize as part of the Génée-Jeunesse & Family Competition.

We will pay tribute to the Bilodeau of the year 2023, and we will proceed to the enthronement of a Bilodeau at the Circle of Great Bilodeau.

We hope you enjoy this day as much as it was pleasant for us to prepare it.

Visit your booths, share your knowledge with us, thus continuing the path traced by Jacques Billaudeau and Genevieve Longchamp, our brave ancestors.

Happy Congress 2023!
