The Association's mission

The Bilodeau Association was incorporated in August 2000 to honour the memory of the couple who founded the first Bilodeau family in America. They were Jacques Billaudeau, born in the diocese of Poitiers, France, and Geneviève Longchamp, who were married in Quebec City on October 28, 1654. Three of their six children—Jean, Antoine, and Simon—had son descendants. Simon left descendants through his daughters.

The objectives

- To foster a sense of pride in belonging to the extended Bilodeau family.
- To encourage gatherings among members of this extended family.
- To bring together people interested in the history and genealogy of the Bilodeau family.
